Small Spiritual Concert

Hugo Sanches, Ana Vieira Leite, Orlanda Velez Isidro

Sunday, February 12, 2017 | 4:30 pm

Basilica of Our Lady of the Rosary of Fatima

Using historical instruments and interpretative practices though with a contagious timelessness, the ensemble recreates the baroque sounds assuming as expressive ideal the reflection and the spirituality in an intimate environment. The concert is included in the Cycles of Conferences of the septenary of the Centennial of the Apparitions of Fatima.
