Echoes of Fatima

Choir of the Shrine of Fatima, under the direction of António Cartageno

Sunday, October 8, 2017 | 3:30 pm

Basilica of Our Lady of the Rosary of Fatima

This concert ends the Cycle of Sacred Music with a very specific memory-tradition based on the specific horizon of its 100 years of Fatima. “Echoes of Fatima”, evokes themes, texts, melodies that, over so many decades, have been established themselves as the prayerful expression of generations of pilgrims that allow them to participate in the live-memory of the Message revealed here a century ago.
