[Cycle of Sacred music] The Virgin Mary in the Musical Tradition of Eastern Churches

The Virgin Mary in the Musical Tradition of Eastern Churches

Marie Keyrouz; Ensemble for Peace

Sunday, July 9, 2017 | 3:30pm

Basilica of Our Lady of the Rosary of Fatima

Integrated in the Cycle of Sacred Music, this concert offers an incursion, still not well known among us, into the musical universe of the rites of Eastern Churches thanks to one of the most respected current interpreters, Sister Marie Keyrouz, who combine her musicologist career with the unusual performative and compositional dimension.
