

SANTUÁRIO DE FÁTIMA
SHRINE OF FATIMA

House of Youth

House of Youth

The House of Youth, located in the northern colonnade, with the access from the Prayer Area, is intended to be a space for listening and dialogue, for prayer and reflection, and is addressed to young people.

The House has a chapel, a projection room and a leisure room with books, music and some activities. Here, young people can feel both the welcoming itself of a more reserved place and the opening to discover and share experiences and deepen the message Fatima.

Opening time

Wednesday through Saturday, from the beginning of July until the second week-end of September.

10:00 am– 12:30 am
